Chief's Report: 5 incidents, responded to all 5. Working on the station, added a hose rack and moved hose from station 2. Dave asked about antenna, Bill is waiting on parts from Day Wireless. Everything is turned in for audit, just waiting to hear from auditors. Dave talked to a scrapper about surplus apparatus; they may not be interested but will talk to others who might be interested. Repair on the 5901 primer, they do not make this anymore and parts are hard to get. This meeting is not live on Facebook but will be back next meeting.
